GOVERNMENT POLYTECHNIC, CHHATRAPATI SAMBHAJINAGAR

(An Autonomous Institute of Govt. of Maharashtra)

I-PROGRESSIVE TEST - Academic Year - 2025-26 (EVEN TERM - 252)

Date	Prog	II Semester 10.00 to 11.30 am	IV Semester 12.00 to 01.30 pm	II Semester 02.00 to 003.30 pm	IV Semester 04.00 to 05.30 pm
29-Jan-26	CE	Applied Maths (7G503)	Estimating and Costing (7C112) (12.00 to 02.00 pm)	Basic Serving (7C602)	Geotechnical Engineering (7C109)
	ME		Industrial Hydrualics and Numatics (7M106)	Engineering Drawing (7R606) (02.00 to 04.00 pm)	Manufacturing Porcesses (7M108)
	AE		Automobile Electrical and Electronics (7A108)	Engineering Drawing (7R606) (02.00 to 04.00 pm)	Automobile Engine Technology (7A107)
	EE		AC machines (7E107)	Electrical and Electronics measurement (7E102)	electrical Transmission and Distribution (7E108)
	ET		Digital Communication (7X112)	Applied Electronics (7X103)	Electronics Circuit Disign (7X111)
	AN		Data Communication and Computer Network (7R108)	Basic Electrical and Electronics Engineering (7R505)	Advanced Mathematics for Machine Learning (7N107)
	IT				Advanced Java Programming (7R111)
	CO		Computer Network (7P101)		
	DD	Basics of Garment Making (7D603)	Common Fashion Garment Making (7D607)	Constume Inspiration (7D105)	Technology of Clothing Manufacture (7D108)
30-Jan-26	CE	Engineering Mechanics (7R102)	Theory of Structures (7C108)(12.00 to 02.00 pm)	Concrete Technology (7C102)	Water Supply and Sanitory Engineering (7C110)
	ME	Engineering Mechanics (7R102)	Measurement and Control (7M107)	Manufacturing Technology (7M101)	Production Engineering (7M109)
	AE	Engineering Mechanics (7R102)	Automobile System and Body Technology (7A109)	Strength of Materials (7A115)	Automobile Transmission Technology (7A106)
	EE	Fundamentals of Electrical Engineering (7R103)	Energy conservation and Audit (7E109)	Fundamentals of Electronics (7E602)	Power Electronics and Control (7E604)
	ET	Electronic Masurements and Instruments (7X104)	Micro controllers and Applications (7X110)	Python Programming (7X602)	Consumer Electronics (7X201)
	AN	Data Structure Using C (7R107)	Artificial Intelligence (7N103)		
	CO		Software Engineering (7R110)		Cloud Computing (7R201)
	IT				
31-Jan-26	CE	Building Materials and Construction (7C103)	Environmental Pollution and Control (7C202)		
	EE		Industrial Automation and Robotics (7E202)		
	ME		Automobile Enginering (7M203)		
	AE		Two wheeler Technology (7A201)		
	AN		OOP Using Java (7R604)		
	IT		Big Data Engineering (7T202)		

1. Students shall report atleast 30 minutes before the schedule time of examination.
2. Students should carry their hall Identity card and Hall ticket during examination

Copy to : 1) All Program Heads to Display on dept notice board and to circulate amongst students whatsapp groups

2) Schedule for Progressive Test I of Courses having online examinations is notified separately.
