

Centre of Excellence on Robotics and Automation

Government Polytechnic, Chhatrapati Sambhajnagar

We are pleased to announce a free course on Robotics under the Centre of Excellence at our institute. This course is specially designed for First, Second, and Third Year students (Academic Year 2024-25) and will be conducted during the vacation period (from 27th May to 16th June as per slots)

1. Course Highlights:

- Hands-on training in Robotics
- Designed for diploma-level technical application

2. Course Schedule:

The course will run in different slots during the vacation. Students must select their preferred slot in the form. The link is

<https://forms.gle/sJJoXprxtTepozVD7>

3. Action Required:

Interested students are requested to fill out the entry form as per their respective slot.

4. Location:

Centre of Excellence, Government Polytechnic, Chhatrapati Sambhajnagar
